1.

Two figures holding a circle with the number 2. Below are four circles with numbers 4, 5, 3, and 1. The number 1 is circled in green.

2.

Two figures holding a circle with the number 18. Below are four circles with numbers 1, 6, 8, and 9. The number 9 is circled in green.

3.

Two figures holding a circle with the number 2. Below are four circles with numbers 9, 5, 1, and 2. The number 1 is circled in green.

4.

Two figures holding a circle with the number 14. Below are four circles with numbers 4, 10, 7, and 1. The number 7 is circled in green.

5.

Two figures holding a circle with the number 20. Below are four circles with numbers 10, 4, 7, and 2. The number 10 is circled in green.

6.

Two figures holding a circle with the number 8. Below are four circles with numbers 9, 5, 4, and 6. The number 4 is circled in green.

7.

Two figures holding a circle with the number 8. Below are four circles with numbers 9, 1, 7, and 4. The number 4 is circled in green.

8.

Two figures holding a circle with the number 6. Below are four circles with numbers 9, 3, 10, and 6. The number 3 is circled in green.

9.

Two figures holding a circle with the number 12. Below are four circles with numbers 9, 6, 4, and 2. The number 6 is circled in green.

10.

Two figures holding a circle with the number 4. Below are four circles with numbers 4, 3, 2, and 7. The number 2 is circled in green.

11.

Two figures holding a circle with the number 16. Below are four circles with numbers 10, 3, 8, and 9. The number 8 is circled in green.

12.

Two figures holding a circle with the number 14. Below are four circles with numbers 2, 4, 7, and 8. The number 7 is circled in green.
